

# The Total Economic Impact™ Of Aria Systems

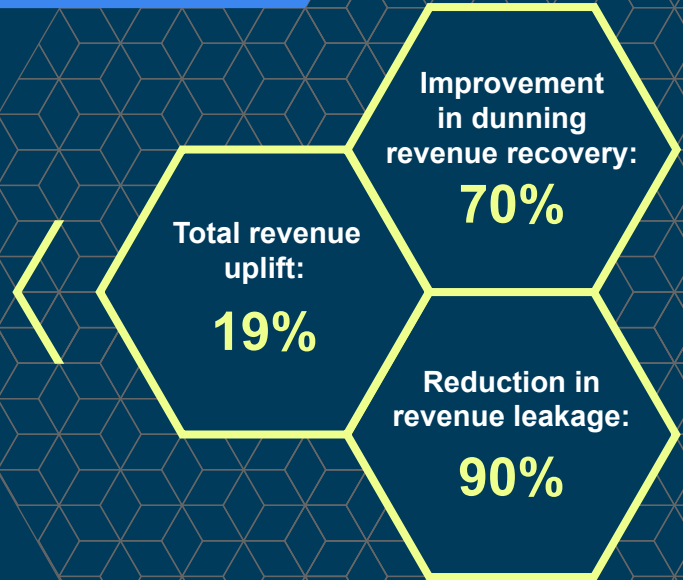

FORRESTER®

Through customer interviews and data aggregation, Forrester concluded that Aria Systems has the following three-year financial impact.

“Moving to Aria has made everything easier. It’s easier to manage the product catalog, managing the financials is easier.... Our product teams can also be more creative in what they bring to market.”  
*CFO, Digital communication solutions*

“Since moving to Aria, our invoicing has been 100% accurate, and there has been no revenue leakage.”  
*CIO, Automotive*

## VOICE OF THE CUSTOMER

“Billing-related processes are now more reliable and timelier, which has increased customer satisfaction. We can also consolidate everything they are buying across different parts of the business into one invoice, which they like.”

*Director of applications, Electronics*

“The ability to invoice very quickly has helped us generate additional revenue. We used to do batch invoicing twice per week. Now we can do it hourly.”

*CFO, Digital communication solutions*

“Using the rules engine saved us time when launching a new offering compared to the other billing solutions we evaluated. This meant we could launch faster, which saved us time and money.”

*CIO, Automotive*
