30%

Faster Order
to Activation

- ⌈ Best of Breed SaaS products (Salesforce + Aria)
- ⌈ Connected Digital Journeys
- ⌈ Self-serve portal & assisted channels, one dashboard, 360° view

About Prodapt

Prodapt is the largest and fastest-growing specialized player in the Connectedness industry. With its singular focus on the domain, Prodapt has built deep expertise in the most transformative technologies that connect our world. Prodapt is a trusted partner for enterprises across all layers of the Connectedness vertical. We design, configure, and operate solutions across, digital landscape, network infrastructure, and business operations - and craft experiences that delight their customers.

Today, our clients connect 1.1 billion people and 5.4 billion devices, and are among the largest telecom, media, and internet firms in the world. Prodapt works with Meta, Google, Amazon, AT&T, Verizon, Vodafone, Liberty Global, Liberty Latin America, Claro, Lumen, Windstream, Rogers, Telus, KPN, Virgin Media, British Telecom, Deutsche Telekom, Cisco, Adtran, Samsung, and many more.

A "Great Place To Work®-certified" company, Prodapt is part of the 128-year-old business conglomerate The Jhaver Group, which employs over 30,000 people across 80+ locations globally.
